

PERMIT TERM 92

Title: Stony Creek

When Used: All permits upstream from Black Butte Dam.

Term:

This permit is subject to prior downstream rights, including those defined in the Angle Decree, Equity No. 30. Permittee shall allow access to project facilities to the Watermaster appointed by the United States District Court for the Eastern District of California to determine compliance with the terms of this permit. In diverting and storing water, permittee shall comply with orders of the Watermaster, including orders to release water stored adverse to prior downstream rights, unless otherwise directed by the State Water Resources Control Board or its representatives. Permittee shall pay any assessments for its proportionate share of the cost of watermaster service which have been approved by the United States District Court.
