

PERMIT TERM 94B – San Francisco Bay and Suisun Marsh

Title: Reserved Jurisdiction - San Francisco Bay and Suisun Marsh

When Used: For all projects tributary to Suisun Marsh and for large projects on the remaining tributaries to San Francisco Bay (below Collinsville) when hydraulic continuity with the Bay exists, or is likely to exist, during the requested diversion season (see note at bottom of page for definitions).

Term:

The State Water Resources Control Board reserves jurisdiction over this permit to change the season of diversion to conform to later findings of the Board concerning protection of beneficial uses of water [(1)(2) or (3)].* Action to change the season of diversion will be taken only after notice to interested parties and opportunity for hearing.

(0000094B)

- * 1. For large projects, except those tributary to Suisun Marsh, add "in San Francisco Bay".
2. For large projects tributary to Suisun Marsh, add "in San Francisco Bay and Suisun Marsh".
3. For small projects tributary to Suisun Marsh, add "in Suisun Marsh".

Note - Small projects are those for less than 1 cfs by direct diversion or 100 afa by storage. Large projects are those for more than these amounts. Streams tributary to Suisun Marsh are those entering the system from the north between Collinsville and Benicia.
