RE: Friends of the River's Petition for Reconsideration for the Cinnamon Ranch Hydroelectric Project, FERC # 6885

Dear Mr. Parks,

Friends of the River filed a Petition for Reconsideration of the Cinnamon Ranch Hydroelectric Project 401 certification in June 2010. At the time of filing, we served a copy of the filing on the owner/operator of record, Mr. Richard Moss. According to both FERC's Mailing List and Service List, Mr. Moss's designated representative is Ms. Alletta Belin of Shute, Mihaly & Weinburger. This is where we sent correspondence.

Sincerely,

Kelly L. Catlett
