Dear Mr. Barnes

Instead of sending you a long letter in my opposition to the long ongoing saga of the potential thermal curtain for Lake Almanor. I'm sending this note of concern. I have been property owner in the Lake Almanor basin since 1991. A permanent resident since 1997. I fully support the objection submitted to you by our Lake Almanor Country Club's Board of Directors.

I don't want lake Almanor to become another Clear Lake which is continually dealing with an algae problem.

Sincerely,

Lowell Neugebauer
