Subject: Thermal Curtain At Lake Almanor

Hello, my name is Robert Miller, we own a cabin at Almanor West. We Have been visiting Almanor for many years and enjoy Boating and fishing on the lake. I feel the thermal curtain will will have a negative affect on the lake and ruin the trout fishery. I also think it will have a negative impact on the areas economy and cause property values to fall. I am 100% against the thermal curtain! Please help use save Lake Almanor and don't let this project happen.
