Subject: Lake Almanor Thermal Curtain

Mr. Barnes,

My name is Greg Silva. I'm a Plumas County home owner and tax payer, for more than 25 years. I am a registered voter. I use Lake Almanor for recreational fishing. I have read all the available data about the proposed Lake Almanor Thermal Curtain proposal, along with the history of other thermal curtains currently in use.

I am completely **opposed** to the Lake Almanor Thermal Curtain proposal.

In honesty,

Greg Silva
