Subject: Clarification to Cal-Am's Response to "Petition to Modify SWRCB Resolution 2016-0040"

Ms. Sobeck – Last week I e-mailed a letter to you dated June 7, 2018, on behalf of California-American Water Company (Cal-Am) regarding Cal-Am's response to the Petition to Modify SWRCB Resolution 2016-0040. Upon further review, Cal-Am wants to clarify that not all of the moving parties listed in Footnote 1 signed the CPUC filing referenced in Footnote 6. To be clear, the Regional Water Authority is not a party to the Motion for a Phase 3 proceeding filed with the CPUC on May 11, 2018. The complete list of parties to the CPUC motion are as follows: Monterey Regional Water Pollution Control Agency, California Unions for Reliable Energy, Citizens for Just Water, City of Marina, Landwatch Monterey County, Marina Coast Water District, Monterey Peninsula Water Management District, Planning and Conservation League, Public Trust Alliance, Public Water Now, Sierra Club, and Surfrider Foundation.

I apologize for any confusion that may have been created.

Thank you.
